Revival in the Body of Christ

And what does the Lord require of you, but to do justly, to love mercy and to walk humbly with Your God? (Micah 6:8). The previous verse describes an offering of rams and rivers of oil, but Micah understood that God seeks our hearts. God desires of us to share with others what we offer to Him and what we receive from Him. We offer our hearts; we receive His love and show mercy to others. **Father, we bring to You the offering that You desire – our hearts.**

Testimony: The world's biggest prayer meeting

Global day of Prayer 31st May 2009 could well prove to have been the biggest prayer meeting as all 220 nations (listed in *Operation World*) took part this year – the first time ever. In Santiago, Chile, about 1,000 Christians braved the cold at the seat of Chile's government to pray for their nation. In Argentina, Christians marked the *Global Day of Prayer* in every one of Argentina's 23 provinces. There is testimony of areas that experienced zero crime for the 10 days of 24-hour prayer before the *Global Day of Prayer*. The *Global Day of Prayer* does not end on Pentecost Sunday. It begins a season of service, where churches pledge to serve their communities and their nations for the next 90 days. (Website: <http://www.cbn.com/cbnnews/world/2009/June/Christians-Gather-for-Global-Day-of-Prayer/>, 05/06/09). **Thank God for this breakthrough in every nation of the world. Pray that the next 90 days will bring forth change worldwide as Believers commit themselves to be God's hands in their communities and cities.**

Pray for your community: 90 Days of Blessing

Pray the Blessing: Ps.133:1-3 Behold, how good and pleasant it is when brothers dwell in unity! It is like the precious oil on the head, running down on the beard, on the beard of Aaron, running down on the collar of his robes! It is like the dew of Hermon, which falls on the mountains of Zion! For there the LORD has commanded the blessing, life forevermore. **Declare your faith:** I believe and confess that Jesus Christ is the Head of the Church, that He will build the Church and that the gates of hell shall not prevail against it (Col.1:18; Matt.16:18). (E-mail: cape@transformationafrica.com, 05/06/2009). **Pray on foot: Prayer-walk your community and pray at all the churches for unity, perseverance, growth and for the power of the Holy Spirit to manifest through their members. Make an appointment with the bishop, moderator, cardinal, priest or senior church officials and pray for those leading the flock.**

South Africa: Teens sell siblings

Western Cape teens are selling their younger brothers and sisters to their friends for group sex sessions. Children between 14 and 18 would invite friends around for group sex sessions with their siblings or cousins who are as young as 11 years old. The older kids tend to use the money either to contribute to the household income or, more often, to fuel a drug or alcohol dependency. Ask the Holy Spirit to convict young children when they are doing wrong and that they will start walking in the fear of God and start trembling at His Word, walking humbly with God. (Isa.66:2; Micah 6:8).**

International: Secret believers prayer points

For the past six months, 16-year old Asya, with her parents and younger brothers who live in Iraq has been forced to move five times. The Christian family is no longer accepted by other family members who are devoted to Islam. Other family members want to take revenge because Asya murdered her father's brother. Out of self defense, Asya stabbed her uncle in 2006. Asya was arrested and convicted despite the fact that she acted out of self defense. She spent two years in prison and was released early in November 2008. However, Asya is not free to go wherever she pleases. Because family members are still on the hunt for her, Asya is forced to stay indoors. She cannot go to school. Not only because it is dangerous for her but also because she has to deal with what has happened. (E-mail: ministryupdates@opendoors.org.za, 04/06/09). **Please pray for the protection of Asya, her parents and brothers. Pray that they will not be discovered by their family. Please also pray that Asya will be able to deal with the trauma of murdering her uncle and spending time in prison. Pray that she will be able to return to school and gain perspective for the future.**
