## **Revival in the Body of Christ**

*I will worship toward Your holy temple, and praise Your name for Your lovingkindness and Your truth; for You have magnified Your word above all Your name (Ps.138:2).* God's Word never changes. What He says He will do, for He has magnified His Word above His name. God has never failed to fulfill a promise that He has spoken. He is the One whom we can trust wholeheartedly and not have a fraction of a doubt that He will actually do what He says. He is not a man that He will lie. **Heavenly Father, thank You for every promise that You have spoken into our lives. We confess that we are new creations through Christ Jesus and that we can come boldly before Your throne. We will not succumb to any lie, fantasy or disillusionment, but we will confess and believe Your Word.**

## **Testimony: Prayer Drive Thru**

Hand-painted cardboard signs welcome motorists to Matthew Cordell's roadside stop with this message: 'Prayer Stand, Drive Thru - Open.' People stop by to make a variety of prayer requests, from the healing of ailments to the safety of children going to college for the first time. One woman pulled in on her way to Urgent Care for chest pains. He said the pains subsided with prayer, and she went home instead. 'They pull in, I go up to the window, we can pray and they pull out,' Cordell said. 'And people know they can have their needs met.' (Website: <http://www.azcentral.com/news/articles/2009/09/04/20090904drivethruprayer0907.html>, 05/09/09). **Thank God for this initiative. Pray for more creative ideas amongst Believers to reach out to the lost and the weary. Pray that all those who have had their prayers answered will testify of the works of God and that His name will be proclaimed in all the earth. (Ps.115:1).**

## **Pray for your community: 4/14 Window**

Luis Bush, international facilitator of Transform World Connections, coined the term "10/40" two decades ago to refer to regions of the eastern hemisphere located between 10 and 40 degrees north of the equator - home to the largest population of non-Christians in the world. While the 10/40 paradigm refers to a geographical area, the 4/14 Window concerns itself with children and youth between the ages of four and 14 who are growing up outside of the church. Statistics show high percentages of teens and young adults ages 15 to 24 are departing from the Christian values they were raised with. The 4/14 Window is the most critical period in terms of human development. During these years, the perspectives of children are profoundly shaped – either positively or negatively. Let us remember to remain focused on both areas in our prayer times and trust God for strategic prayers for the 4/14 Window within the 10/40 Window. (Website: <http://www.christiantoday.com/article/new.focus.should.be.on.414.window.says.mission.strategist/24161.htm>, 10/09/09). **Pray for the children between the ages of 4 and 14 years old in your community. Ask God to give you creative ways on how to reach out to these young ones. Pray for parents and youth workers; that God will grant them wisdom on how to reach out to these age groups.**

## **South Africa: Schools**

More than 100 schools in the Western Cape will soon be equipped with hand-held metal detectors in an effort to make schools weapon-free. The project was launched this week after a stabbing incident at a school made the news last month. Pray that Believers in gang invested areas will ask God to transform their communities according to 2 Chron.7:14 - if my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.**

## **International: Kenya**

An especially harsh drought is exacerbating already difficult conditions in Kenya. Nearly 3.8 million Kenyans currently lack sufficient food. Families are desperate for food. Child malnutrition rates are rising, children are being removed from school and hired out as day laborers, and families are cutting back the size and number of meals – with many now eating just once a day. (Website: <http://www.christianpost.com/article/20090910/world-vision-sounds-alarm-as-kenya-faces-drought-hunger-crisis/index.html>, 10/09/09). **Pray that Believers in this country will call on the name of the Lord and plead for healing according to 2 Chron. 7:14 and that God will answer them speedily.**
