Revival in the Body of Christ

The law of Your mouth is better to me than thousands of coins of gold and silver. (Ps.119:72). How valuable or precious is the Word of God to you? Is it of more value to you to know and understand His word than to chase after the riches of this world? Will you choose a day in the Word of God to a day working overtime and earning double the earnings of a normal day, attending a concert or being entertained in one way or the other? *For a day in Your courts is better than a thousand. Heavenly Father, we long for Your Word. Revive us by Your Word. We will hide Your Word in our hearts that we will not sin against You.*

Testimony: Drug Busts in SA

The police have won another battle in the war on drugs, seizing R12,000 worth of tik. Nearly two weeks ago, police searched a home in Cape Province, finding high quality dagga with an estimated street value of R270,000 hidden in 15 large jars, 1kg dagga powder with an estimated street value of R100,000, and R70,000 in cash. Pray for God's protection over the police. Pray that police workers will do their jobs with honesty and not succumb to bribery or corruption.***

Pray for your community: 21 Days of Global Harvest

There is a whisper moving worldwide, and it's saying that the Spirit of God is opening the floodgates of global harvest. God is raising up a wholehearted generation who -- with fervency and zeal -- is ready to participate in His global harvest with abandoned devotion to Jesus. We are living in a time of the largest gathering into the Kingdom of God that the world has ever seen. It's no longer a dream to see everyone with no current access to the gospel reached with the love of Christ. *21 Days For Global Harvest* is a prayer campaign to unite the emerging generation of Believers in devoted prayer and intercession for personal revival, generational awakening and global harvest in our lifetime. You are a part of this generation. Will you help lay the foundation for what God intends to do in our generation and in our lifetime? Join us from 12 October to 2 November. (Website: <http://21daysofprayer.net/>, 26/09/09). ***Pray that many Believers will mobilize their local congregations and communities to seek God in these 21 days. Ask God's blessing on all those who are going to participate and that we will witness how this generation will arise and that they will be the restorers of true worship unto the Most High God. (Isa.58:12; Acts 15:16-17).***

South Africa: Economy

Cash-strapped South Africans will have to work even harder to reduce their electricity consumption and, somehow, prepare for proposed massive Eskom tariff hikes. Power bills are set to triple in the next three years, and local ratepayer organisations are concerned that many people will face severe financial difficulties and could be forced to sell their homes or businesses amid the spiralling costs. (Website: http://www.iol.co.za/index.php?set_id=1&click_id=124&art_id=vn20091018094438990C777702, 18/10/09). ***Pray that the government would continue to listen to good advice concerning the furthering and establishing of a healthy economy for South Africa and not be caught up in personal or political agendas, but making healthy economical decisions as advised by wise counsel. Pray that the economy will grow specifically in areas where more jobs can be created.***

International: Christian leaders threatened

The Taliban is directly threatening Believers in northeastern Pakistan's Punjab province. On 6 October 2009, members of the Taliban sent threatening letters in Sargodha, Pakistan, warning Christian leaders to convert to Islam or face dire consequences. The letter warns Christians to convert to Islam, pay Jizya tax (an Islamic tax imposed on religious minorities), or leave the country. If the Christians do not do any of the three, then they will be killed, their property and homes will be burned to ashes, and their women will be treated as sex slaves. And they themselves would be responsible for this. (Website: <http://mnnonline.org/article/13400>, 20/10/09). ***Pray for Believers to remain bold in Christ. Pray for the government of Pakistan to intervene and that Christians will be protected from violence. Pray that more Christians will stand together in prayer against injustice and violence in this land. God promises to avenge those who cry out to Him night and day. (Lk.18:7).***
