Revival in the Body of Christ

*Whatever prayer, whatever supplication is made by anyone, or by all Your people Israel, when each one knows the plague of his own heart, and spreads out his hands toward this temple: then hear in heaven Your dwelling place, and forgive, and act, and give to everyone according to all his ways, whose heart You know (for You alone know the hearts of all the sons of men), that they may fear You all the days that they live... (1 Kings 8:38-39). God's name is to be feared and worshiped in all the earth. We have celebrated a time now of humbling ourselves before God and waiting for the outpouring of His Spirit. We experience the freedom of being forgiven, let us then proclaim the greatness of His name so that every nation and tribe and tongue can fear His name. **Heavenly Father, may Your name be hallowed as we celebrate your forgiveness of sins. Thank You for Your forgiveness and mercy on the nations.***

Testimony: Biggest prayer meeting ever

It is estimated that more than 400 million believers all over the world participated in the Global Day of Prayer. **Give thanks to God for what He has done in communities, nations and in the hearts of His people. Pray that prayer will continue in all these nations and that people will continue to seek God's face.**

Pray for your community: 90 Days of blessing

The 90 Days of Blessing follows the Global Day of Prayer as an opportunity for Christians to not only continue in persistent prayer, but to actually become the answers to their prayers. This is an excellent opportunity to challenge the youth and children to go to the neglected places to pray and serve. For the next ninety days, proclaim a blessing over your neighborhood and do something practical to bless your community. To download the prayer guide go to http://www.globaldayofprayer.com/90days_guide.html. (Website: <http://www.globaldayofprayer.com>, 25/05/10) . **Pray that God will touch the hearts of many people through those who take part in this initiative. Ask God to awaken a desire to bless others amongst the young people and children.**

South Africa: Transport Strike

A transport strike in South Africa, now in its third week, has resulted in farmers losing over R1 billion and putting jobs in the agricultural sector under threat. In the past year, the agriculture sector has shed more than 100 000 jobs and only 30 000 were created in the first quarter. These jobs are now under threat as the sectors themselves are facing production losses. (Website: <http://www.busrep.co.za/index.php?fArticleId=5483291>, 24/05/10). **Cry out to God that a resolution will be found soon. Pray for those who are in fear of losing a job and facing the reality of not being able to support families. Pray for the ministers and other authority figures, that God will grant them wisdom on how to resolve this problem as soon as possible.**

International: Children at Risk

Around the world, projects and networks supported by Viva, as well as other churches, organizations and individuals, are preparing for the World Weekend of Prayer for Children at Risk, which will take place over 5-6 June. Not only is this an opportunity for people everywhere to lift up to God the issues facing children at risk, but it also gives the children a chance to speak out for themselves about their rights, in public city-wide prayer and praise events. (E-mail: pray@viva.org, 10/05/10). **Pray for the projects and networks that will be putting on events over this weekend. Pray that all of the planning would go smoothly, that all the necessary finance would be raised, and that lots of children would be able to attend. Pray that these events would be a huge success; pray that children at risk everywhere would know that they are valuable in God's eyes, that He listens to them and answers their prayers. Pray for changed mindsets of people who are involved in or who are made aware of the events. Pray that God would come in power, answer prayers and make a tangible difference to children's lives. Pray for events taking place in churches in the UK, the US and elsewhere. Pray that people in more 'privileged' situations would be made aware of the suffering of children inside and outside of their communities, and that they would be mobilized to carry on praying throughout the year.**
