Revival in the Body of Christ

He will never be shaken; the righteous will be in everlasting remembrance. He will not be afraid of evil tidings; His heart is steadfast, trusting in the Lord. (Ps.112:6-7). We shall not be afraid of bad news; of reverses and losses; of the destruction of property; of disaster by flood, by famine, by war. Our hearts will fully confide in God that we can commit all calmly into His hands. We feel assured that all will be well; that nothing occurs but that which the wisest and the best Being in the universe sees it best should occur; and that in all which "does" take place He is able to sustain the sufferer. **Father, I believe and trust in You. I am Your child.**

Testimony: Son of Voodoo priest leads people to Christ

Jean Junior Cineas, the son of a voodoo priest, has dedicated his life to bringing his fellow Haitians to Christ. He says it brings him great joy to share Christ with others and that it has become his lifestyle. Cineas says voodoo's influence has diminished and many Haitians are now calling on God. In fact, it's reportedly rare for him to meet someone who does not want to be prayed for or hear about Jesus. Cineas first heard about the Lord from missionaries, whom he leaned on to escape the voodoo life his family embraced. (Website: <http://www.bpnews.net/bpnews.asp?id=32195>, 02/02/10). **Praise God for changing the hearts of Haitians and turning their hearts back to Him. Thank God for revealing Himself to Jean and that he can be a witness to the citizens of Haiti.**

Pray for your community: Young people still in love with marriage

Despite rising divorce rates it seems that marriage is still an overwhelming aspiration for young people in Northern Ireland. New figures reveal that over 90% say they want to get married. This information emerges in one of the largest surveys into sexual attitudes carried out in the province. Over a thousand 16-30 year olds were asked about their attitudes and behaviours around relational and sexual issues for the survey. Uniquely, the survey was also designed to probe into whether and in what way faith had an impact in these areas. 87% of young people surveyed said they believe that the Bible has something to teach about relationships and sex. 81% of respondents said they thought pornography was harmful and yet 79% of males had accessed it online. 63% of those surveyed felt that sex before marriage is always wrong. (E-mail: editor@prayer-alert.net, 05/02/10). **Pray that God will protect the minds of young people and that they would hold on to these positive beliefs. Pray that young people will be an example to believers in word, conduct, in love, in spirit in faith, in purity. (1 Tim.4:12).**

South Africa: Exploitation and Trafficking

The City of Cape Town is showing growing commitment to the fight against prostitution, the proliferation of brothels, pimping and sex trafficking is already beginning to pay dividends. Several prominent city brothels masquerading as beauty salons and massage parlours were raided and shut down over the last week. These establishments were operating without licenses and violating other City by-laws. Incredibly, despite mounting and credible evidence that vulnerable teens are being lured into prostitution by these "salons" through false and misleading advertising – newspapers continue to publish their ads thereby indirectly promoting prostitution and sex trafficking. (E-mail: enaadoo@familypolicyinstitute.com, 09/02/10). **Pray that all the cities hosting visitors during the World Cup will promote sexual purity and good moral values. Pray that newspapers will stop with misleading advertisements luring innocent people into the sex industry.**

International: Winter Olympics

There is a Call to intercessors throughout the world to go to the Vancouver area in Canada during the Winter Olympics (Feb. 12-28, 2010) to join in prayer for God's purposes during this critical time. They will intercede for this strategic gateway city, its call to the nations, and the specific opportunity to offer hospitality that the Church in the Vancouver region is rising up to meet. The Keats Island International Prayer Centre is a short-term effort to mobilize intercessory prayer support for the Vancouver region, Canada, and the nations during the Winter Olympics from Feb 12 – 28, 2010, and especially for the hospitality ministries of 'More Than Gold', (the interdenominational group that is coordinating the churches in the Metro Vancouver Area). A seasoned leadership team will provide a variety of forms and opportunities for focused prayer throughout each day. For questions about the program and focus of the prayer centre, please contact richard@nhop.ca. (E-mail: JWWatches24-7@iemail.co.za, 01/02/10). **Pray for the leadership of this event, pray that they will wait and allow the Holy Spirit to lead and guide them through every strategy and prayer. Pray for those who are traveling to Vancouver from other regions will have a safe journey. Pray that every intercessor's prayer will be led by God's Spirit and that they will declare God's Word over every situation and into the lives of every one that will visit that town over this period of time.**
