Revival in the Body of Christ

Son of man, I have made you a watchman for the house of Israel; therefore hear a word from My mouth, and give them warning from Me. (Ezek.3:17). We need to warn the wicked and the righteous when God instructs us to do so. Often we think that the duty of praying for the bigger Body of Christ or any prayer request rest on a prayer group or the older folk. God has called each one of us to remain watchful and on our guard to pray against anything that wants to hinder the expanding of the Kingdom of God. Do not hesitate or put it off for another time, but today when you have a spare moment, present yourself before God and ask Him to allow you to see what He sees and pray into that situation according to His Word and by the working of the Holy Spirit. **Father, forgive us for neglecting our prayer lives. Open our eyes to see what You see and help us to change situations as we offer prayers unto You.**

Testimony: Thousands profess Christ since earthquake

A reported 40,127 Haitians have made professions of faith in Jesus Christ since the January earthquake. People were in the streets begging God for forgiveness and mercy. Also in February during a citywide holiday observance in Cap Haitien, thousands upon thousands filled the streets seeking God and asking Him to spare them from what happened in Port-au-Prince. The total for professions of faiths reported is based on written reports by churches and pastors forwarded to the director of ministry. The regional missionaries provide numbers of professions of faith and baptisms as part of their reports on disaster relief ministry. (Website: <http://www.bpnews.net/bpnews.asp?id=32370&ref=BPNews-RSSFeed0225>, 25/02/10). **Praise and thank God for the spiritual evidence of His presence, and pray for complete renewal of Haiti.(Ps.104:30).**

Pray for your community: Prisons

Violence often erupts in prisons. Wardens have trouble controlling the crowds and sometimes it leads to death. Inmates and wardens walk around with fear and anxiety, the only focus – survival. **Please pray for the prisoners and wardens at the prisons closest to you. Ask God to protect them from acts of violence and abuse. Ask God to break the power of darkness in prisons – pray that He will send forth His truth and His light into the lives of wardens and prisons. Pray for a spiritual awakening in the hearts of people in the prison(s) near you.**

South Africa: Next hub for drug trafficking?

South Africa is in danger of becoming a major hub for drug trafficking. West African syndicates had recently become major drug traffickers after Central American cartels began using them due to difficulty with their traditional routes. Increased surveillance on traditional routes had made them become unprofitable. Once these new routes through West Africa were successfully dealt with by the authorities, Central American cartels would again look for other alternatives. South Africa might be the next option. Ask God to expose every work of darkness that is connected with drug trafficking in South Africa. Pray that justice will prevail at every airport and harbour in South Africa. Pray that law officials will not accept bribes or be involved in any form of corruption.**

International: Nigeria

At least 500 people were killed on Sunday in communal clashes near Nigeria's central city of Jos, revising a previous toll of around 100 dead. Muslim herdsmen raided a Christian village near the restive city of Jos, hacking to death over 200 people. Outbreaks of violence are common in Plateau State, where the indigenous Christians have long struggled with immigrant Muslims over resources. Over 300 hundred died in January, when rival gangs of youths clashed in Jos. Pray that they will remain firm in their faith and trust God to fight their battles for them. Ask that the Moslem herdsman and others of the same belief will come to the knowledge of our Heavenly Father and Jesus Christ whom He has sent.**
