## Revival in the Body of Christ

When you gather the grapes of your vineyard, you shall not glean it afterward; it shall be for the stranger, the fatherless, and the widow. (Deut.24:21). The verses that precede this one also has the same instruction – to have something extra for the stranger, the fatherless and widow. In verse 22 God says that He expects this so that the Israelites could remember where they came from. In our abundance, do we forget those who do not have? God's Word says that we are blessed to be a blessing. (Gen.12:2). **Father, thank You for showering us with Your blessing. Thank You for giving us more than enough. Help us to bless the strangers in our land, the fatherless and the widows.**

## Testimony: Yes to Jesus!

It's amazing what happens when the Body of Christ unites against social evils like pornography, prostitution and blasphemy. In every instance where the Church reached across man made divides and fulfilled its Biblical mandate to be "Salt & Light" to society - God gave us the victory. Multichoice's announcement last week that they will not proceed with their 24 hour porn channel is a victory for every responsible and decent citizen and especially those who took the trouble to make their voice heard in South Africa. (E-mail: [enaiddoo@familypolicyinstitute.com](mailto:enaiddoo@familypolicyinstitute.com), 15/03/10). **Praise God for this breakthrough. Pray that South African citizens will continue to take a stand for sexual purity and good moral values. Continue to pray for the leadership of Family Policy Institute who stands watch in the spirit concerning family values in South Africa.**

## Pray for your community: Service Providers

Two women paramedics were attacked by men and one of the two women was raped when attending to a burnt toddler. (Website: <http://www.mg.co.za/article/2010-03-15-zuma-men-who-raped-paramedics-behaved-like-animals>, 15/03/10). **Please pray for people who are providing services in your community – paramedics, firemen, the police force, medical staff, etc. Pray for their protection while they are serving in the community. Pray that the Holy Spirit will comfort and console those who have been traumatized in any way.**

## South Africa: Day of Prayer – 22 March 2010

Ask God to provide for all their needs in miraculous ways.**

## International: Morocco

Over the past year we have reported several unusual instances of Moroccan authorities breaking up Christian gatherings in various places. In February, a meeting of perhaps 20 participants was broken up by a contingent of some 60 soldiers. Each of these events was accompanied by the deportation of one or more foreign Christian participants. However, until the event in February, each were considered isolated instances of apparent local opposition. It now seems they were instances of what appears to be a radical departure from previous Moroccan policy. According to many reports received within the past week, as many as 42 or more Christians from eight different nations located in ten or more cities or towns in Morocco have been deported since the beginning of March. Many have been given only minutes to leave after years or even decades living in Morocco. (E-mail: [info@usa.om.org](mailto:info@usa.om.org), 12/03/10). **Pray for those that have been forced to leave and those that remain behind. Pray that those deported will know the Father's comfort, presence and peace, and quickly discover His plan for their future. Pray that the national Moroccan Christians will be strengthened, not intimidated, by these events. Declare that God is the Father of the many children who stayed behind. Declare God's names over them according to Ps. 18 – He is their Rock, their Fortress, Deliverer, God, Strength, Shield, Horn of their Salvation and Fortress.**
