**The Missionaries of Prayer** is an interdenominational network of Christians who are committed to prayer.

A Missionary of Prayer is a Christian who is committed to prayer where God has called him or her to be. This could be in the workplace, at your home for your family, for individuals, for the church, for the world, for the governments, for social justice issues or for the nations. They train prayer missionaries so that they are effective.

They believe in the power of prayer and understand that ALL successful work for the Kingdom of God should start with prayer. God waits for people to humble ourselves and come to Him in prayer so that He can work on their behalf.

The Missionaries Of Prayer is an interdenominational network of Christians that are committed to covering the world in prayer. They travel worldwide to promote prayer and to share the Gospel of Jesus Christ.

**Global 4/14 Day is Saturday, April 14, 2012.** ONE MILLION Christians will be praying *on April 14, 2012* for TWO BILLION children under age 15.

These boys and girls represent the *largest unreached people group* in the world. Two-thirds live outside of Christ. *Their eternity hangs in the balance.* Global 4/14 Day is April 14, 2012. This is an international day of pray and fasting for children ages 4 - 14. All kids in this demographic are known as the "4/14 Window." Why? Because during this decade or "window," most children develop their moral and spiritual foundations. *They are more open and receptive to the gospel of Jesus Christ.* 8 out of 10 people, who make a decision for Christ, do so between the ages of 4 to 14. **24-7 Prayer Revival Run.** Revival Run is 1 year old! Mike Andrea reports: *"So it began on the night of the 25th of January 2011, over 70 people gathered in Glo and broke up into small revival run teams. Equipped only with some prayer stakes, they prayed for the Holy Spirit to put a place on their heart and then they would venture out and go and pray for God to bless that place with a move of his presence. These were not tame prayers or reserved requests (holding back the best for themselves) but these prayers were wild, audacious and generous. Praying that God would go far beyond any dream or desire that they might have for themselves and asking it for another place, church, college, business and such like...it was quite simply amazing."*

They wanted God to visit their nation. All that mattered was that He moved in power.

Revival Run marks its first birthday. Over 26,000 revival run prayer stakes was planted all over the UK and the world, from Thurso to Thailand, Frankfurt to Australia and it just keeps on going.

They were captivated by the scripture that tell the disciples to go from Jerusalem, to Judea, Samaria and the rest of the world, and decided to do just that. They are going to bless every church in their locality – their Jerusalem, 63 churches.

Throughout 2012 they want to see every city in the UK prayer staked through revival run. There are 66 official cities in the UK - that's one for every book of the Bible.

This year they launch another chapter of revival run....to see every major capital of the world experience a revival run and be prayer staked. In total there are 196, which

are 196 opportunities for people to literally be the adventure and pray for a global move of God. They are making special capital city prayer stakes to give to anyone who is going to those places. <http://www.revivalrun.org/?p=1382>

**Harvest Prayer.** Is it possible to hold a mini-Global Day of prayer every day of the year? Dr. Victor Choudhrie, a church planting leader in India, thinks so. This is why he has issued a summons to the body of Christ to pray in harmony each morning and has even provided an outline to help make it happen.

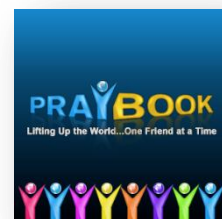

3@6 invites believers the world over to spend 3 minutes praying for global evangelism at 6 a.m. every morning. Choudhrie's suggestions for utilizing this time include the following:

1<sup>st</sup> Minute - PRAY FOR THE HARVEST; 2<sup>nd</sup> Minute - PRAY FOR THE FIELDS; 3<sup>rd</sup> Minute - LISTEN

It's a simple, yet potentially powerful way to finish the task. The question is: Can we spare 180 seconds of our day to see God's most passionate desire fulfilled? <http://win1040.com/reporter.php>

**Forever! Launches Olympic Prayer Event.** Yan Nicholls team leader of 'Forever' - the Olympic outreach coordination team for Youth With A Mission says 2012 is a crucial year for the UK.

It is a God-given opportunity to see people's lives changed – both the lives of people from the nations visiting these shores for the Olympics, and also the lives of UK residents. One of the aims of the Olympic outreach has always been to bless communities in the UK, to see positive change. That blessing will come as we do what God asks us to do with regards to outreach. It starts by us seeking God for His plan for this nation during this time.

To enable this change, the Forever team has launched "Brick by Brick" - an online prayer calendar that enables you to pray for the United Kingdom throughout 2012.

YWAM and many other Christian organisations pray 24/7. Hayley believes that a global cultural and spiritual event such as the Olympics, when the nations gather in one place and where people are watching and engaging from all around the globe, is a unique opportunity to reach them and the host nation.

Brick by Brick is a tool to enable people to join together to cover every minute, every hour and every day of 2012 in prayer directed towards blessing Britain.

**Igniting Prayer to experience God in the Marketplace.** Prayer is the single most powerful and yet

the most underutilized resource given to the body of Christ.

*"Time spent in prayer will yield more than that given to work. Prayer alone gives work it's worth and its success. Prayer opens the way for God Himself to do His work in us and through us. Let our chief work as God's messengers be intercession; in it we secure the presence and power of God to go with us."* Andrew Murray

Their purpose is to deploy Marketplace Prayer Teams in partnership with corporations to pray God's purposes, plans and promises into and over the corporations, their owners, management, staff, customers and vendors.
