

9th Watchman's School of Prayer 2010

Cape Town

This is your personal invitation to join us for the annual Watchman's School of Prayer in Cape Town, South Africa!

The past ten years have shown an exponential growth in the 24/7 prayer movement around the world. Thousands of believers worldwide are gathering in churches, homes, schools, shops, prisons, and many other places. They meet on a daily basis to seek God continuously for their communities to be transformed by the power of the Holy Spirit. The purpose of this school is to train individuals who want to start or have already started establishing a 24/7 house of prayer, to build cross-cultural relationships and to learn from each other.

During this full-time school of five days, you will be invited into a deeper personal walk with God and learn to connect with God in practical ways. Time will be spent in worship and seeking His face, while practical sessions will focus on equipping participants with regards to 24/7 prayer. This will include topics such as setting up a creative prayer room, how to mobilize people for 24/7 prayer watch, how to reach out with prayer into your community, and how to sustain continuous prayer.
