

Hadassah Watch

“And who knows but that you have come to royal position for such a time as this?” Esther 4:14b

Welcome to the Hadassah Watch. Hadassah Watch is a Prayer Network that was birthed at the MANI 2006 consultation in March 2006. (MANI – Movement for African National Initiatives)

Hadassah Watch is endorsed & supported by:

[PACWA \(Pan African Women’s Association\)](#)
[Jericho Walls International Prayer Network](#)
[Transformation Africa / Global Day of Prayer](#)

The plight of women in Africa and all around the world came under the spotlight. The women felt that as Christian women God has called us to stand up and unite in prayer for all women around the world. No longer could we just look at the horrific abuse women around the world are subjected to. We know that our prayers will make a difference – for with God nothing is impossible! (Luke 1:37)

Hadassah is the Hebrew name of Queen Esther in the Bible. Like Hadassah we will arise and intercede. We will intercede for all women around the world.

We call on all Christian women around the world to mobilize as many women possible to pray on a Tuesday morning before 13h00 for 15 minutes – for women around the world. Once a month we will be sending out a prayer letter with information and testimonies of what God is doing amongst women in the world.
