ABOUT US

Global Prayer Watch (GPW) was founded on 1 September, 2000 as a House of Prayer according to Isaiah 56:7. Our goal is to see the Body of Christ in Cape Town and all nations unite in continuous prayer and worship in every city and local congregation.

The Holy spirit has been orchestrating an unprecedented global wave of prayer over the last 25 years. By planting houses of prayer across Africa and the world as places where God is loved (Matt 22:37), we believe we will see God move among the lost. See also Luke 18:8; Matt 26:41 and Acts 15:16.

Why Harp & Bowl?

In Rev. 5:8, the 24 elders kneel down with golden bowls filled with the prayers of the saints (intercession) and harps (worship) in their hands. Hence the title “Harp & Bowl”. Worship and prayer marry in the watch, according to this heavenly pattern. David used this model in his tabernacle of praise. A Harp & Bowl prayer meeting consists of worship, the spontaneous singing of Scriptures and intercession using Bible prayers. Prayer meetings (watches) are 2 hours long and are facilitated by different worship teams.

Our mandate to pray for the nations

Global Prayer Watch aims to fulfill the biblical directive to pray for all nations (Jer. 1:10, Isa. 56:7; Matt. 21:13). Our prayer focus is local, national, continental and international.

Foundational Principles

- Night and day** prayer and worship
- Worshippers and intercessors serving as fulltime and part-time **missionaries** in the House of Prayer
- Modeling a **lifestyle of prayer** and devotion to God
- Teaching** and practical training in prayer and worship
- Altar of intercessory worship reflecting the cultural diversity of the **nations**
- The **Bible** as the foundational focus for prayer and worship

Global Prayer Watch Initiatives

- Most importantly, GPW seeks to keep the **Watch of the Lord**, through day and night intercessory worship. Our goal is to assist in planting such places of night-and-day intercessory worship in every main city of Africa and the world.
- GPW develops the **Jericho Walls Prayer Network** from the Western Cape and links with local prayer initiatives. The ministry trains regional and congregational prayer coordinators.
- GPW offers the following **training opportunities**:
 - Harp & Bowl weekend **seminars**
 - 80 Days with God** – a part-time Harp & Bowl school
 - Watchman’s School of Prayer and Worship** (an annual full-time 5-day school)

- **Face2Face Internship Programme** for full-time missionaries - a discipleship program for the younger generation in the house of prayer.
- The weekly **Global Prayer Alert** is used by intercessors and congregations to pray for the city, nation, continent and the world. [pray_7days-subscribe@associate.com]
- A network of congregations in and around Cape Town have joined hands to form the **City Wide Watch**, to cover the city in 24-hour prayer using the Global Prayer Alert and other material. We trust that 1000 congregations nationally will commit to this by the end of 2004. [gerald@jwipn.com]
